Issue 11

November 2010

Welcome to the Creative Books and Music newsletter!

Our newsletters will empower and inspire you with monthly features such as articles, book reviews, events, poetry, inspirational quotes, and news from Creative Books and Music, L.L.C.

The theme of this November newsletter is "gratitude." Since I celebrate my birthday this month on the 27th, I wanted to share all the wonderful blessings for which I am very grateful.

My life has been a wonderful journey with many learning experiences. I am very blessed to have a loving family and great friends. I have allowed myself to see the "gifts in disguise" throughout my life as well. I am very thankful for the people in my life, my health, and my gifts and talents that I enjoy and share with others. I know when I am following my heart and doing what I love that I am following God's plan for my life. I am very grateful to God for all my blessings and for all of God's Love. Thank you, God!

I have been inspired to write books, music, and create DVD programs to share God's message of love and peace. All the challenges I have faced have helped me to search and find answers that I share with others to guide them on their journey as well. I believe we are all here to help one another by first healing ourselves and loving God.

I wish everyone a life filled with God's blessings of true love and peace. May we all celebrate each day and every moment as though it is our wonderful "birth" day! ~ Sandra Agazzi Chimenti, M.Ed., Author of [*The Real Me: Awakening Your True Self*](#)

A special "thank you" to everyone who has enjoyed my inspirational books, music, presentations, and cable show. Thank you for your wonderful endorsements and testimonials. I truly appreciate all your positive feedback, interest, and support. May you always be blessed with peace, happiness, and love.

*Blessings Always! Happy Thanksgiving!
~ Sandra Agazzi Chimenti*

"Discover Your Power to Succeed!"

Our new cable show is airing throughout Michigan.

Poem of the Month

"The Real Me"

First and foremost,
We are spiritual beings
Who have come to earth
To visit for awhile
To learn come lessons
As we walk our mile.

We enter each new stage,
As a caterpillar does,
First as an egg
Before coming a butterfly.
Our body may change,
But our spirit will not die.

The lines are not clear
Between each stage.
We may move slow or fast,
But we always know
When one stage blooms
And the past one must go.

We are spiritual beings,
Extensions of God.
So, when you look at me
With my many hopes
and fears,
Before you place
your label,
Please see beyond
my years.

Divas and Dessert Event!

On November 5, 2010, Sandra performed two of her original songs from her cable show at the Unity Church of Lake Orion's "Divas and Dessert" event in Michigan. She sang and played the songs "Discover Your Power to Succeed!" (the theme song of the cable show with the same name) and "I am Enough!" (the song in the credit roll of the show).

She shared her message and signed copies of her life-changing book, *The Real Me: Awakening Your True Self*. Sandra's book is for sale at the Unity Church of Lake Orion's bookstore. Visit: www.UnityLakeOrion.org.

Sandra performs her two cable show songs for the audience.
