Issue 12

December 2010

Welcome to the Creative Books and Music newsletter!

Our newsletters will empower and inspire you with monthly features such as articles, book reviews, events, poetry, inspirational quotes, and news from Creative Books and Music, L.L.C.

The theme of this December newsletter is "celebration." As we enjoy time with our family and friends during the holidays, we remember that our precious family, friends, world, and our Divine Creator are the reasons we celebrate.

Being with those we love and remembering our loved ones who are in Spirit, allows us moments to appreciate our blessings. I enjoy celebrating Christmas with my family. I also appreciate the many other holiday traditions enjoyed by other people.

As we celebrate our cultural holidays, we follow enjoyable traditions or we may create new ones. My Italian heritage fills our celebrations with delicious food, close family relationships, and lots of love. Everyone enjoys talking, laughing, and sharing. There is a feeling of peace and joy when we celebrate with those we love.

This is a time to reflect on what really matters to us in our life. It is a rebirth of who we are — God's wonderful creations. Those who celebrate Christmas may recognize that we share in the birth of Christ Jesus. The Christ light within each of us is an opportunity to be our best and to share our gifts and talents.

Other celebrations that people enjoy may include the Jewish holiday of Chanukah (Dec. 1 - Dec. 9), the African-American holiday of Kwanzaa (Dec. 26), the Islamic holidays of Eid'ul-Adha (Nov. 16) and Eid al-Fitr (Sept. 10) celebrated by Muslims following Ramadan (Aug. 11 - Sept. 9), and other holiday celebrations.

Holidays are enjoyable when we receive as well as give. Sharing our blessings with others keeps the joy of Christmas and other holiday traditions shining in our lives. May we be blessed with love and peace during the holidays and all year, too. Have a Merry Christmas, Happy Holidays, and a Happy New Year! ~ Sandra Agazzi Chimenti, M.Ed., Author of ***The Real Me: Awakening Your True Self***

Poem of the Month

"A Loving Call"

Tell me a story,
tell me a tale
About a life
beyond the veil

Where everyone is free
from sadness and pain,
Abundance and joy
are always to gain.

Time and Space
no longer rule,
Unconditional Love
is a greater jewel.

What had no meaning
is suddenly clear,
Whispers of wisdom
fill my ear.

The Great Presence
of Love
that created us all
Unites us again
with a loving call.
